

Unit 507 board meeting Aug 4, 2010.

Attending: Ray Yuenger, Doug Hong, Erin Gove, Judy Clark, Jeff Hack, Mischel Postas, Will Watson, Lynn Bartz, Shirley Foreman, Mich Ravera, Stu Goodgold, Lyle Supp

Sec. Report – approved as read

Tres. Report – \$12,381.36 total assets

District News – The IRS group exemption sought by the ACBL will not take effect until Sept or Oct. On another note, Pat Tomas proposes that the district provide 500 dollars a year for speaker fees. This will perhaps attract speakers with a high level of experience. The idea was tabled but will be taken up next meeting.

Unit game Aug 9 - The director and theme for the event are set. This will be a team game.

The appreciation dinner – 115 members joined the unit board members for an evening of fun and fellowship. The Chicken Coop provided chicken dinners with salad and pizza for this annual event.

Holiday game and pot luck – It is suggested that the board should book the Roosevelt room earlier this year so we can set up in time for our pot luck dinner and game for the holidays.

NAP final – A motion is made that Sept 26th will serve as the date of the NAP final. Motion passes. Will Watson will serve as director.

Unit game – September's unit game will be a pairs game. The theme will be "the recognition of the life masters from 2009."

Membership Input:

We need a suggestion box for members to voice concerns and ideas. Lynn's Dad will make a suggestion box by the next meeting. Ray will furnish him with the dimension and appearance needed.

We need to do a survey and obtain information about people's needs and feelings about improving the quality of duplicate bridge at our club. A sub committee was formed to create the survey for the membership. This will be made up of Erin, Ray, Mich and Stu. Unit board members were asked to bring five survey-question suggestions to the next meeting.

Sectional – Oct. 22- 24 the unit will host its annual fall sectional with the theme "Fall back." This will be run in the same format as last spring.

Next meeting Set 8th.
