Secretary's report minutes: approved as read

Financial report - Current balance \$10,664

Members – two new members, 677 total members

Facilities and Capital Improvement– The sink overflowed and the plumbers have fixed the issues with new pipes. The landlord should be responsible since the backup occurred in the sewer system for the building rather than in the sink actually. The garbage disposal is still not working and it was recommended by the plumber that we no longer use a garbage disposal. There is a lack of storage space in the kitchen. A motion is made that we buy a cabinet to add to the black one in the large playing space. The motion is tabled.

Bridge pads – There are three that need repairs and we could use three additional new ones for the up coming sectional. It is moved that we repair three. The motion passes. A motion is made to purchase three new ones. Motion passes.

Non-life Master Sectional – This will be open to players up to 499 master points. Feb 28th

Progressive Sectional – ACBL requirements were discussed.

Unit games – Next month we will honor new life master. The following month we will be doing mini-mckenney and ace of clubs winners.

Partnership page – Now in effect on the unit web site.

SIVY event – It is suggested that this event take place in March. This would take place on the 20th of March and will occur between the afternoon and evening games at the club.

Patty Tucker – Learn Bridge in a Day – We should work together with Palo Alto and help promote the event. This will occur at the Palo Alto unit on May 9. The charge will be \$25 per player. We will participate as partners with Palo Alto.

Naming rights for fall sectional were discussed.
