Unit games –The June unit game will be a pairs game on the 13th June. Judy will direct this event. There was a request for cookies at all the unit games. Next month, July 11th will serve as a unit game with revenge pairs as the theme. Doug will direct. There will also be a special unit game Oct 21. Gabi will host this event.

Elections – There will be no elections since there will be one resignation and one person who wishes to come on board as a new member.

Club issues –The management is willing to repair the air conditioner unless they can prove that we caused the damage. Parking spots remain an issue as there is such a large turnout on Wed mornings. The employees from the neighboring building are still taking the prime spots.

Fund raising – Franklin will be serving as a chair of this sub-committee. Frank would like to submit a report to the board every month.

Membership game and dinner – The Orchard room at the Campbell community center will serve as the venue for the event. A motion was made that we will have a potluck with bbq meats provided by the unit with the membership providing desert and side dishes with the membership game free to all unit members and \$10 for non unit members. Motion carries. Will will direct the event.
