Secretary's Report – Accepted as read.

Tres. Report – Total assets \$ 10,137.00

District Report – The district made a profit of \$31,000 last year from the four regionals. This result gave district 21 one of the top earning results in the nation. The Monterey tournament will be held at the convention center instead of the Hyatt. Next year there will be two Sacramento tournaments because the Marriott can't host us in February. Nationals will be held in San Francisco in November. Stu made a proposal that no master points be awarded for games that do not follow the rules of contract bridge. \$30,000 is available for charity. Charities may be recommended to Jeff Hack by July 4th.

Committee reports – Fundraising committee – A yearly fundraising event should happen yearly. Carol suggested that we could transition one of the pro/am games as a fundraiser. July 27th is suggested. This would be a GNT fundraising game. All proceeds would be utilized by the unit in a manner that the board needs. A motion is made that Carol will hold a fund raiser as a pro/am game July 27th. This will be run as a unit championship game. Motion carries.

Club issues – Paper towels and other supplies are needed.

Unit game – Mich will direct a team game in honor of Diane Shannon. Next month will be a pairs game. Director TBA.

Director's meeting – The dealing machine will always stay in the club. The directors will have unlimited use of the machine as long as they use it here at the club. There was a discussion if it is a good idea to have continuing education for our club directors. Perhaps the ACBL will fund this.

Fall Sectional – A venue needs to be found for our fall sectional.

Bridge lessons – Debbie Rosenberg's first class was highly successful and well received. The unit will earn \$1,000 from her lesson series. Doug Hong will be holding bridge lessons on Wed nights.

Spring sectional – We will hold the spring sectional at John Muir Middle School April 13- 15th.
